

Club Subscriptions & EA Registrations

Subscriptions

The club are pleased to acknowledge the payment of subscriptions by a significant proportion of our membership. Despite the absence of competition, we still have to meet a number of areas of expenditure such as:

- Annual payment to use the Morpeth track.
- Insurance and maintenance of our club house.
- Other insurance and administration expenses.

We hope other members will play their part in meeting our costs by paying their 2020 subscriptions as soon as possible if they have not already done so. We do however expect to make savings in some areas (such as entry fees and travel costs) and therefore intend to recognise this by giving 'paid up' members a reduction on their subs in 2021.

England Athletics

EA have agreed to keep competitive registrations for 2019/20 valid until 31st August 2020. If competition is not likely to restart until after that date, we will decide by then what to do about the renewal of registrations.
